

# Health Care Aide (HCA) Orientation – Virtual

**Congratulations on your recent hire to our site!**

### Who Is It For?

All newly hired HCAs and/or refresher in consultation with your manager.

### What Is It?

HCA Orientation covers valuable information in regards to providing basic care for your residents/patients/clients. This training is NOT a substitution for the Certified HCA Course.

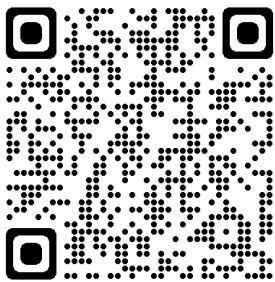

### Where Can I Access It?

Everything you need for Health Care Aide Orientation is on StaffNET and can be accessed at any time on computers, tablets, or mobile devices.

### When Should I Do It?

This course should be completed within the first two weeks of your employment.
