

Kitchen Safety (Virtual) Hand-in Package

Welcome to the virtual education session of Kitchen Safety!

The course is going to take approximately 15 minutes to complete. It needs to be completed in one sitting.

Your progress in the course is not saved, so if you close out of your browser while in the middle of the session, you will need to start from the beginning again.

Before starting the virtual education session, please ensure you have the following:

- A distraction-free space
- A stable internet connection
- Approximately 10 minutes to dedicate to completing the course
- 5 minutes to dedicate to completing the Knowledge Check Quiz
- A personal device (computer, laptop, tablet or smartphone)
- Speakers or headphones for audio sections
- Hand-in Package

Please connect with your manager or facility's local education facilitator or designate to arrange a space and time at your facility to complete the virtual education session of Kitchen Safety.

Please ensure that you complete this package in its entirety before handing it in. You must return the completed Hand-in Package to your manager or site's education facilitator or designate in order to have a record of completion of this education in your personnel file.
