Registration Process

1. Access UpToDate by going to www.uptodate.com/online from a computer connected to the **Southern Health network**.
2. Click the Log In/Register button in the upper right corner of the screen.

Registration Process

- To register, complete all fields on the right side of the registration page and then click *Submit Registration*.

IMPORTANT: If you already have an UpToDate User Name and Password, log in on the left side of the registration page. This will merge together all CME credits. DO NOT RE-REGISTER. This would create two accounts which cannot be combined.

The screenshot shows the UpToDate registration page titled "Register for important benefits". It features two main sections: "Log in (Returning User)" on the left and "Register (New User)" on the right. The "Log in" section includes fields for "User Name" and "Password", a "Remember my user name" checkbox, and a "Log In" button. The "Register" section includes fields for "First Name" (filled with "John"), "Last Name" (filled with "Smith"), "Email Address", "Verify Email Address", "ZIP/Postal Code", "Specialty" (dropdown menu), and "Practice Type" (dropdown menu). It also has fields for "User Name" and "Password" under the heading "Select your user name and password", a "Verify Password" field, and a "Submit Registration" button. Two orange callout boxes are present: one on the left pointing to the "Log In" button with the text "Log in with existing User Name and Password", and one on the right pointing to the "Submit Registration" button with the text "Register and create new account".

- Upon completion of the registration process, you will receive a confirmation email from UpToDate with instructions on downloading the Mobile App.

You are now registered and able to download the Mobile App and earn CME credits!

Remote Access/Mobile Access to UpToDate

Mobile Access

Once registered, you can install the Mobile App on up to two devices by following the instructions below:

1. On your smartphone or tablet, search for “UpToDate” in your app store and install the free app.
2. Open the UpToDate Mobile App upon completion of download.
3. Log in with your UpToDate User Name and Password. *You only need to do this once – the app remembers your User Name and Password.*

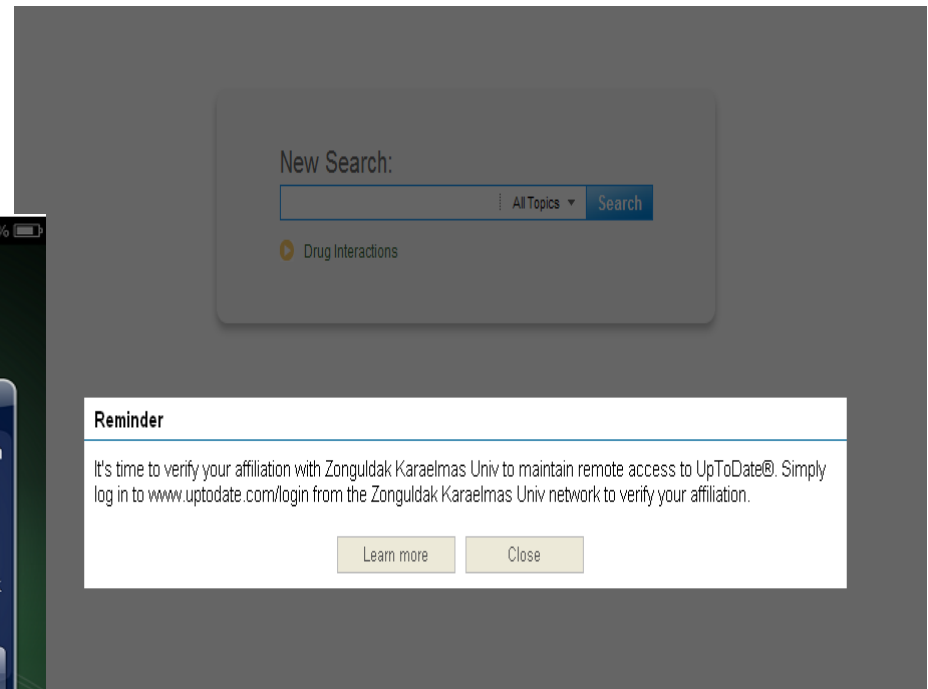

Access UpToDate Anywhere

- In addition to the Mobile App, you can access UpToDate from any computer with internet access.
- Simply go to www.uptodate.com and click the “Log In” button located in the top right corner of the UpToDate home page, and enter your User Name and Password.

Re-verification every 90 Days

In-application & email messaging informs clinicians of need to verify affiliation with your organization, making it easy for the clinician to maintain remote access rights

UpToDate Anywhere-Intended Clinician NON-EMR Workflow

5. Each logged-in use of UTD within the network re-sets the re-verification timer by 80 days

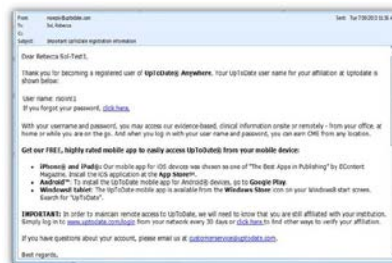

1. Go to uptodate.com from a network computer. Then click the log in/register button in the top right hand corner.

4. User must log into UpToDate while on Network every 90 days to keep mobile active

3. Users download app and Activate with UTD UN/PW

2. Registered Users receive email invite for Mobile from UTD

The image shows a screenshot of the UpToDate website's registration page. A box labeled 'Co-Branded Logo HERE' points to the UpToDate logo. The page title is 'UpToDate® Anywhere Access Tip Sheet'. The 'Getting Registered' section contains the following instructions:

1. Access UpToDate by going to www.upToDate.com from a computer connected to the network.
2. Click the Log in/Register button in the upper right corner of the screen.
3. To register, complete all fields on the right side of the registration page and then click **Register**. If you already have an UpToDate User Name and Password, log in on the left side of the registration page.

A red note states: **Please note:** You must register from within the **direct hospital name's** network to get the Mobile App and receive CME credits.

The registration form includes fields for 'Log In Information' (User Name, Password) and 'Register New User' (First Name, Last Name, Email, Phone, Hospital Name, Department, Job Title, Password, Confirm Password). A 'Register' button is visible on the right side of the form.

Below the form, it says: 'Upon completion of the registration process, you will receive a confirmation email from us with instructions on downloading the Mobile App.'

The final instruction is: 'To ensure you are accruing CME credits when conducting searches, please make sure your established account and your name appears in the top right-hand corner of the screen.'

At the bottom of the page, there are links for 'Welcome, Melissa A. Johnson', 'My Account', 'CME 44.5', and 'Log Out'. The footer includes 'UpToDate.com | 1-800-832-6274 | customer@upToDate.com'.

A blue overlay box on the right side of the screenshot contains the text: 'UpToDate Anywhere: Reference Guide'. Below this text, it says: 'This Reference Guide outlines specific instructions on registering for an account from an EHR or Portal, accessing UpToDate, and earning and redeeming CME credits. Guide for users with Integrated Access Points.'
